ORDER DISMISSING CLAIM WITHOUT PREJUDICE

PLEASE READ CAREFULLY

On October 19, 2022, the Copyright Claims Board (Board) issued an Order to Amend Noncompliant Claim notifying the claimant that the claim did not comply with the requirements of the CASE Act and related regulations and would be dismissed unless an amended claim was filed by November 18, 2022. 37 C.F.R. § 224.1(c)(2).

No amended claim was filed in the time allowed. Accordingly, the Board dismisses this proceeding without prejudice and closes case 22-CCB-0211. 17 U.S.C. § 1506(f)(1)(B). Dismissal without prejudice means the claimant may raise the allegations again by filing a new claim.
