FINAL DETERMINATION DISMISSING CLAIM WITH PREJUDICE

On June 26, 2023, the Copyright Claims Board (Board) received from Claimant a Request to Withdraw Claim. Respondent filed a response to the request to withdraw on June 26, 2023 stating their objection to the request to withdraw the claim without prejudice. In correspondence with Claimant, the Board confirmed that Claimant wishes to dismiss their claim with prejudice pursuant to 37 C.F.R. § 222.17(c).

The Board grants the request, dismisses the claim with prejudice, and closes case 22-CCB-0072. 37 C.F.R. § 222.17(c). Dismissal with prejudice means the same claim cannot be filed again against the same respondent whether before the CCB or in federal court.
