ORDER DISMISSING CLAIM WITHOUT PREJUDICE

PLEASE READ CAREFULLY

The respondent submitted an opt-out notice for this claim within the opt-out period, which was extended to December 21, 2022 by the Copyright Claims Board (Board) on December 7, 2022. 17 U.S.C. § 1506(i); 37 C.F.R. § 223.1(f). The Board dismisses the claim without prejudice and closes case 22-CCB-0032. 37 C.F.R. § 223.1(a).

A claim that is dismissed by the Board without prejudice may then be filed in federal court. However, if the claimant attempts to refile a dismissed claim against the same respondent before the Board again, covering in substance the same acts and the same theories of recovery after the initial opt-out notification, the Board will again dismiss the claim based on the initial opt-out notice, unless the claimant can demonstrate that the respondent affirmatively agreed to have the dispute resubmitted to the Board for resolution. 37 C.F.R. § 223.1(i).
