Docket number: 23-CCB-0399

Michelle Shocked

CLAIMANT

v.

LANDR Audio

RESPONDENT

## ORDER DISMISSING CLAIM WITHOUT PREJUDICE

Claimant Michelle Shocked (Claimant) initiated this proceeding before the Copyright Claims Board (Board) on December 4, 2023. On March 14, 2024, the Board directed Claimant to serve the second amended claim on Respondent LANDR Audio (Respondent). Claimant filed a proof of service form on April 8, 2024. On June 7, 2024, the Board issued an order noting that the proceeding had entered the active phase.

On August 26, 2024, in a separate proceeding (*Shocked v. Hodgson*, Claim No. 24-CCB-0201), the Board issued an order finding Claimant had engaged in a pattern of bad-faith conduct in proceedings before the Board. That finding required the Board to dismiss this proceeding if Respondent gave written consent to the dismissal. 17 U.S.C. § 1506(y)(3); 37 C.F.R. § 232.4(d)(2). On August 29, 2024, Respondent notified the Board by email that it consented to dismissal. The Board therefore dismisses this claim without prejudice and closes case 23-CCB-0399.
