

COPYRIGHT CLAIMS BOARD

Docket number: 25-CCB-0036
May 15, 2025

Heberly Engineering, P.C.

CLAIMANT

v.

James McEldowney

RESPONDENT

ORDER TO AMEND NONCOMPLIANT CLAIM

The Copyright Claims Board (Board) finds that your claim does not comply with the requirements of the CASE Act and related regulations. The claim cannot move forward unless it is amended.

If you wish to proceed with this claim, you must file an amended claim by **June 16, 2025**. If you do not, the Board must dismiss your claim without prejudice, although you may file again in the future before the Board or in federal court. If you file an amended claim and it is found compliant, you will be notified and directed to proceed with service. There is no additional filing fee for an amended claim. 17 U.S.C. § 1506(f)(1)(B).

To make your amended claim compliant, you must resolve the issues identified below. 37 C.F.R. § 224.1(c)(2). You may also choose to correct or edit any errors or other information in your claim before you file it again. You do not need to provide a legal argument in your claim – just a statement of facts and circumstances. Being specific in your description gives the other party and the Board more information about your claim. There is no character limit, so please be as detailed as possible.

Work Infringed

Your copyright infringement claim needs to be amended to correct the work allegedly infringed by the respondent. When you submitted your claim, you identified the work as “6450 NW Oak Creek Dr_Base Flood Det Rev 11-21-23 Comb_1 Page 1” with a service request number of “1-14636878501.” You also filed eight subsequent claims, one for each remaining page of the report. The Copyright Office has issued Registration No. VAu001551671 for this application as **one work**, *i.e.*, the base flood elevation determination report as a whole. As a result, you may only pursue one claim for the entire work against this respondent, and may not bring a separate claim for each page of the work. You must amend your claim to (1) provide the registration number and effective date of registration, April 10, 2025, and (2) provide the title of the work as reflected in the registration.

To submit an amended claim, log into your eCCB account and take the following steps:

1. From your dashboard, click the “**Amend claim**” button and select your docket number from the dropdown list.
2. Your claim will unlock for editing. The information you originally entered will appear in the same order as in your original claim.

3. Make the necessary edits. If you have filed supplemental documents, you must re-upload any documents you wish to include in the amended claim on the “**Documentation**” page. Please include only documents directly related to your claim, and label them clearly.
4. Once you have completed your edits, continue to click through the fillable claim form until you reach the “**Review**” page. The Review page includes all the information that you have provided in the claim up to this point. Carefully double-check the information on this page. If you have any corrections, you can select “**Edit**” to revise any entries necessary. Each section of information has an “**Edit**” button, which will take you back to that section so you can make changes. After you make changes, you can click “**Save & review**” to return to the Review page. Please review your claim carefully. Once you submit your amended claim, you will be unable to edit the claim while it is in compliance review.
5. Once you have completed your review and any revisions, you must confirm that the information in your claim is accurate and truthful to the best of your knowledge. To complete the declaration, type your full name into the “**Digital signature**” box near the bottom of the “**Review filing**” page and click “**Agree & submit.**”
