RESPONDENT

SECOND ORDER TO AMEND NONCOMPLIANT CLAIM

The Copyright Claims Board (Board) finds that your claim, as amended, still does not comply with the requirements of the CASE Act and related regulations. The claim cannot move forward unless it is properly amended. If you wish to proceed with this claim, you must file a second amended claim by **May 12, 2025**. If you do not, the Board must dismiss your claim without prejudice, although you may file again in the future before the Board or in federal court. There is no additional filing fee for an amended claim. If you file a second amended claim and it is found compliant, you will be notified and directed to proceed with service. However, if your second amended claim also is found not to comply, the Board will dismiss the proceeding without prejudice. 17 U.S.C. § 1506(f)(1)(B); 37 C.F.R. § 224.1(d).

To make your second amended claim compliant, you must resolve the issues identified below. 37 C.F.R. § 224.1(c)(2). You may also choose to correct or edit any errors or other information in your claim before you file it again. You do not need to provide a legal argument in your claim – just a statement of facts and circumstances. Being specific in your description gives the other party and the Board more information about your claim. There is no character limit, so please be as detailed as possible.

Allegedly Infringed Works

The “Works infringed” section of your amended claim lists 132 allegedly infringed works. However, several supporting documents attached to the amended claim assert that 133 of your images were infringed, listing 133 allegedly infringed works. You must resolve the discrepancy. The additional work that those documents claim as infringed is a photographic image titled “ford_18mustangecoboostcv6fa_angularfront.” In a second amended claim, you must clarify whether or not you are asserting infringement of that work.

If you are not asserting infringement of that work, you must remove it from the “Exhibit A” spreadsheet and from the [Infringed Images](#) document; omit page 3 of the [Amended Screenshots](#) document; and fix the line in your [Reply](#) document discussing the Infringed Images document to state that it includes 132 images, not 133.

If you are asserting infringement of that work, you must add an entry listing it in the “Works infringed” section, stating its title, author(s), registration number (VA0002227289), effective date of registration (10/18/2022), and work of authorship category (Pictorial Graphic and Sculptural).

Final Amendment

This is your third and final opportunity to submit a compliant claim in this proceeding. **If your claim remains noncompliant, the entire proceeding will be dismissed.** 17 U.S.C. § 1506(f)(1)(B).

To submit a second amended claim, log into your eCCB account and take the following steps:

1. From your dashboard, click the “**Amend claim**” button and select your docket number from the dropdown list.
2. Your claim will unlock for editing. The information you originally entered will appear in the same order as in your original claim.
3. Make the necessary edits. If you have filed supplemental documents, you must re-upload any documents you wish to include in the amended claim on the “**Documentation**” page. Please include only documents directly related to your claim, and label them clearly.
4. Once you have completed your edits, continue to click through the fillable claim form until you reach the “**Review**” page. The Review page includes all the information that you have provided in the claim up to this point. Carefully double-check the information on this page. If you have any corrections, you can select “**Edit**” to revise any entries necessary. Each section of information has an “**Edit**” button, which will take you back to that section so you can make changes. After you make changes, you can click “**Save & review**” to return to the Review page. Please review your claim carefully. Once you submit your amended claim, you will be unable to edit the claim while it is in compliance review.
5. Once you have completed your review and any revisions, you must confirm that the information in your claim is accurate and truthful to the best of your knowledge. To complete the declaration, type your full name into the “**Digital signature**” box near the bottom of the “**Review filing**” page and click “**Agree & submit.**”
