## ORDER DISMISSING CLAIM WITHOUT PREJUDICE

This claim was filed on February 26, 2025. On March 7, 2025, the Copyright Claims Board (Board) issued an Order of Intent to Dismiss for Unsuitability noting that the Board would dismiss the claim unless the claimant filed a response requesting the Board to reconsider its determination of unsuitability by April 7, 2025. The claimant did not file such a response. As a result, the Board dismisses this proceeding without prejudice for unsuitability under 17 U.S.C. § 1506(f)(3); 37 C.F.R. § 224.2 (b)(1).
