### ORDER DISMISSING CLAIM WITH PREJUDICE

PLEASE READ CAREFULLY

The Copyright Claims Board (Board) received a request from the claimant to dismiss this claim with prejudice on October 25, 2022. Our regulations state that the Board will dismiss the claim without prejudice “unless all parties agree in a written stipulation...that the claim...be dismissed with prejudice.” 37 C.F.R. § 222.17(b). The Board emailed the claimant because not all parties signed the original Notice of Settlement. On October 28, 2022, the Board received a second Notice of Settlement stipulating to dismissal with prejudice and signed by all parties. As all parties have agreed in a written stipulation that the claim shall be dismissed with prejudice, the Board dismisses the claim with prejudice and closes case 22-CCB-0037. 37 C.F.R. § 222.17(a-b). Dismissal with prejudice means the claim cannot be filed again.
